NEW BEDFORD VOCATIONAL HIGH SCHOOL

At no time in the history of education has greater recognition and value been placed upon Vocational Education.

Indicative of this respect for the type of education you have received, is the unanimous commitment by the city of New Bedford and the towns of Dartmouth and Fairhaven, to construct a twenty-five million dollar regional vocational technical school.

Each of you graduates are a product of a system of education which has continuously demonstrated "accountability" for tax dollar support.

Public acceptance and confidence in vocational education is the result of sixty-three years of dedicated effort on parts of teachers, staff, and administrations, past and present, who have established this reputation.

This sixty-third graduating class, like all its predecessors, will be reflected in the total spectrum of occupations, professions, and leadership in our communities.

James B. Conant once stated, "Each honest calling, each walk of life, has its own elite, its own aristocracy based upon excellence of performance."

All of this class, by its graduation, indicate this excellence of performance."

I extend to each of you and your parents, sincere congratulations for your achievement. I extend you an invitation to hold your first five-year reunion in your new Regional Vocational Technical High School.

MR. Z. WALTER JANIAK, SUP'T DIR.
GREATER NEW BEDFORD REG. VOC.
TECHNICAL HIGH SCHOOL

As your graduating class moves towards the responsibilities of adulthood, I remain confident that the training and education received at New Bedford Vocational High School has prepared you for the years ahead. The times are troubled, your challenges are great, but with the same enthusiasm and dedication of your forefathers, I know you will continue to make this great country even greater.

Congratulations on your fine accomplishments and the best of luck in the future.

MR. J. BARBERO JR., ACTING DIR.

Congratulations to the Class of 74 and best wishes in all future endeavors.

A. C. WOBECKY, ASST. DIRECTOR

I am happy to extend my congratulations and best wishes to the Class of 1974. I am confident that the knowledge you have gained here at New Bedford Vocational High School will serve as a firm foundation upon which to build in future years. Continue to learn and to grow, continue to practice in the community the qualities of good citizenship you have shown here at school . . . in this way you will be following the fine tradition of Vocational High School graduates of past years.

M. E. CRONIN, ASST. DIRECTOR

Forward

High school is one of the most crucial phases of a person's life. Success during this period depends greatly upon the support of a dedicated staff, such as is found here at New Bedford Vocational High.

We graduates express deep appreciation to Mr. Janiak, Mr. Barbero, Mr. Wobecky, Miss Cronin, and the entire faculty for encouraging and guiding us throughout the past four years. For all that has been done to help prepare us for the future, we say, "Thank you sincerely."

Our yearbook co-editors are Kathleen Gonsalves and Mark McMullen.

Special Thanks

The Class of 1974 wishes to express their gratitude to the faculty for their dedicated service to the students of this school and the cause of occupational education. Their efforts in our behalf have instilled in us lessons which we will apply for a lifetime.

With their guidance behind us, we will certainly be able to navigate the difficult waters ahead as we take our rightful place in today's ever-changing and complex society.

Dedications

Mr. Oiva K. Maki

Mr. Maki has been here at New Bedford Vocational for 24 years, 19 as an instructor and the last 7 as the supervisor in the Electrical Department. He believes that educating young people is not a 9-5 job and realizes the importance of training good citizens as well as electricians. He continues to emphasize the great value of a trade education, especially today.

We, the class of '74, are proud and honored to dedicate our Mariner to Mrs. Miriam M. Moore, Mr. Oiva K. Maki and Mr. Kenneth H. Pearson.

L. to R. — Mrs. Miriam M. Moore, Mr. Kenneth H. Pearson.

We, the senior class of 1974, are dedicating this year's Mariner to Mrs. Miriam Moore. Mrs. Moore has devoted the past seven years to teaching the junior and senior girls English and helping them with the yearbook. She is a person of great patience, who is very considerate of her students. We hope, Mrs. Moore, that paying you this tribute will be a good way to say thanks for all you have done.

Mr. Pearson, himself a New Bedford Vocational High School graduate, has been an instructor in the Welding Department since November of 1945 where he is now a senior instructor. He gave of his time as Junior Class Advisor. He was, at one time, Assistant Soccer Coach. In his 28 years of dedicated service to the students, he has continued to show his interest in their future well-being.

GIRLS DEPARTMENT

The Girls Department is a busy building, where students engage in a large variety of subjects during their four high school years.

Freshman girls learn the basics of personal hygiene, home nursing, nutrition, human relationships, clothing, and other skills needed to manage a home. They also have courses in Arithmetic, Art, English, General Science, and Physical Education.

As Sophomores, students take two terms of child care, which prepare them for nursery school practice the following year. Other subjects include English, Biology, Civics, Clothing, Nutrition, Costume Design, Career Information, Physical Education, and Needlework. Algebra and Typewriting can also be elected.

The Junior girls cook for half of the year in the cafeteria, where meals are prepared for the entire school. Students spend the rest of their time studying English, United States History, Health, Home Decoration, Behavioral Patterns, American Red Cross Home Nursing, Clothing, and Textiles. Some also take a course in Office Machines.

Senior girls choose one of the following three courses of study: Nurse Aide, Child Care Aide, or General Home Economics.

The Nurses Aide course is comprised of a small group of girls, most of whom intend to become L.P.N.'s or R.N.'s. Students go two days a week to St. Luke's Hospital and various nursing homes, where they practice caring for patients. They are qualified nurse aides upon graduation.

Students in the Child Care Aide course are taught to work with young children, both in the classroom and at different day care centers, kindergartens, and schools for the retarded in and around the city. They are qualified child care aides when they graduate.

Seniors who elect to take General Home Economics as a major receive specialized training in foods, clothing and accessories, crafts, and textiles.

All senior girls study English, Consumer Education, Clothing, Occupational Information, and Food Management and Service. Some supplement their curriculum by electing courses in Algebra, Geometry, and/or Basic Record Keeping.

The four years spent in the Girls Department prove to be extremely busy and also very enlightening.

BASEBALL

1973 BASEBALL SUMMARY

The season looked promising up to the time we heard of Davy Bettencourt's unfortunate accident which kept him out of his regular position, catching, for the season. Bobby Lemieux filled in the catching position despite his inexperience. Pitching dept. was limited to the slants of Ron Girourd with backup relief pitching by R. Richard and D. Romanowicz.

The baseball squad, as a whole, batted well and held their own with the opposition. M. Richard, D. Antone, Meunier, and M. Girourd contributed with timely hitting and substantial fielding.

Our record does not indicate the calibre of ball played by the 1973 team. Our record was 12 losses against 5 wins. We look forward to many new candidates in '74 and the contributions of veteran ball players, such as M. Richard, D. Antone, Almeida, Trommerslager, M. Girourd, R. Richard, and several others who have promised to join the spring turnout.

GOLF

The 1973 edition of the Artisan golf squad competed for the second year in the southern division of the Southeast Conference State tournament. Competitor David Freitas led the team in victories winning ten of his fourteen matches. The squad was rounded out by Junior Jan Scieszka, Sophomores Dave Brightman and John Souza, and Freshmen Alan Doyle, Curt Silva, and Mark Roy.

After a period of ten years, Cross Country has been revived at N.B.V.H.S. Our first season was run against Jr. varsity competition. The Artisans ended up with four wins and two losses. The highlights of the season was the Bristol Voke-Tech Invitational Cross Country race. Against varsity competition the team placed sixth in a field of thirteen teams. Outstanding performances were turned in all season by Junior David Maguire and Freshman Tim Gago. Coach Souza is looking forward to another winning season with all the members of the team returning.

The 1973 New Bedford Vocational High School football season was one of steady improvement. The team finished the season by two solid victories over Norton High School and arch-rival Diman Vocational. The team was lead by Prep-All-American nominee Calvin Pina and All League Dave Garlington. The team hopes to improve on this years 2 and 7 record but it will miss this year's graduating Seniors: Joe Couto, Co-Capt, Mike Masse, Co-Capt., Dave Bettencourt, Robert Davignon, Tony Ferreira, Steve St. Marie, Silvestre Silva, Victor Novo and the afore-mentioned Dave Garlington and Calvin Pina.

 Mgr., Head Coach Walter Siwik.

The soccer squad, by virtue of a dedicated team effort, finished the season with a fine 7-6-4 record to insure its 6th consecutive winning season. It was an uphill struggle that caught fire during the second half as the team won 6 of its last 8 games. Classified as a "building year" because of the loss of 9 Seniors of the '72 squad, the nucleus of Underclassmen aided by a superb Senior defensive corps, managed to pull out late season victories to continue the winning Soccer tradition.

To be missed greatly next year will the vaunted defensive corps of Captain Roland Boucher, Co-Captain Dave Barber, and Charlie Correia. Dave Freitas and Gary Hasson will also be difficult to replace, but the future looks bright for Coach Walter Siwik's booters.

TRACK

During the years of 72 and 73 our track program showed a remarkable improvement both in numbers and performance. Scott Whiting, in winter track, was picked on the all conference team and entered the states placing second in the finals at Northeastern's oval. He also received player of the week recognition.

Our spring team had its best year in competition climaxed by their superior showing at the conference meet held at Diman Vocational's track in Fall River. Individual honors were shared by Calvin Pina, Sylvestre Silva, Mike Pinto, Billy Harris, Scott Whiting, and the entire squad by being runner-up to conference champion — Diman.

We took the above to the states where they got to the semi-finals.

Our relay team tied for fifth place with East Bridgewater thereby receiving medals for their fine performance.

Both Mr. Souza and myself wish to express our thanks to the squad and also to the girls who scored all our meets which helped us considerably; Diane Bettencourt, Angela Barksdale, Cynthia Cusson.

HOCKEY

KNEELING FROM L. TO R. — P. Meunier, D. Freitas, G. Hasson, Capt. M. Lepage, B. Leger, B. Setera, G. Lacasse, D. Henry.
STANDING FROM L. TO R. — D. Vasques, J. Morra, J. Aguiar, S. Gonneville, M. Pepin, C. Soares, M. Berube, M. Richards,

This was Vocational High School's first year of varsity competition. It was a highly successful season for Coach Bob Prefontaine and the team.

They were led by Captain Mike Lepage, who showed great leadership throughout the year, the alternate captains were Gary Hasson and Bobby Leger. Voke put out a tremendous effort in the Silver City Hockey Tournament played in Taunton. As you know, they finished as the runner up team in the whole tournament.

Mike Richards, our goaltender, was the key factor during the tournament and the season. He was the main factor for the team's success. When the pressure was on, he made the key saves to keep us alive. He is only a Junior and will

Coach Bob Prefontaine (missing from photo: M. Glennon, D. Rezendes, M. Jeffries, Assn't Coach Ed Silva)

be returning for next year's action.

Mike Lepage, Bobby Leger, Dave Freitas, Mark Pepin and the rest of the team gave it a great effort throughout the year.

We will miss greatly our 4 outstanding seniors, Capt. Mike Lepage, Co-capt. Gary Hasson, Dave Freitas, and Mike Glennon. They will be hard to replace for next year.

It was a tremendous effort put out by the team, and one heck of a year.

SHOP LEAGUE BASKETBALL

KNEELING, L. TO R. — Mike Richards, Mike McMullen, P. Quinten.
STANDING — John Conlon, John Alves, Robert Lemieux, John Loria, G. LeBlanc.

The traditional shop-league basketball program continued during the 72-73 school year. During that season, the usual competitive brand of basketball was played and resulted in the Welding Shop capturing the league title. This league has on occasion been the breeding ground for players on the Jr. and Varsity squads and provides an excellent opportunity for our youngsters to participate under game conditions. Coach Ed Prastek continues to do his usual fine job.

Intramural sports still play an important part in student activities at Vocational High.

SHOP LEAGUE HOCKEY

The Intramural street hockey season completed its second successful season this past year. The winner for 72-73 was the Electrical Department Team. Reflecting the tremendous growth of hockey in this area, competition for the coveted title was fierce.

Director Ed Prastek's fine intramural program, designed to reflect the interests of the students, scores another success.

A concerted membership drive is taking place with the young women of the school being invited to join. It is hoped with new blood and ideas this organization will again be an active, vital, and energetic force for the continued improvement of N.B.V.H.S.

HONOR SOCIETY

1st ROW, L. to R. — M. Fortin, T. Daigle, D. McDonald, S. Desrosiers.
2nd ROW, L. to R. — S. King, P. Coderre, B. Gallagher, Mr. L. Neron.

The National Honor Society Technical Chapter of New Bedford Vocational High School had its beginning in 1962. It is composed of sophomores, juniors, and seniors who maintain a minimum average of at least eighty-five percent in their scholastic work.

The motto of this honored organization is: "I pledge myself to the ideals of the National Honor Society, and I promise to be loyal to them at all times by serving my fellow men to the best of my ability."

Dues and money-raising functions make it possible for members to attend area National Honor Society conventions and field trips, and to sponsor scholarships. Students are advised by Mrs. Thelma Bagley and Mr. Lionel Neron.

SKI CLUB

1st ROW, L. to R. — Mr. R. Barrett, A. Mikina, S. Desrosiers, K. Cranston, L. Trahan, S. Begley, Mr. J. Riley.
 2nd ROW, L. to R. — W. Silva, D. Walecka, R. Calheta.
 3rd ROW, L. to R. — J. Silva, M. Pinto, S. Shaw, D. Kaeterle, P. Mikina.
 4th ROW, L. to R. — R. Correira, R. Roy, P. Medeiros, E. Barrett, A. Dessert, R. Davignon, D. Garlington, P. Lavoie.

The New Bedford Vocational Ski Club, now in the second year, has yet to find the perfect ski weekend. In 1973, on three separate ski trips, "Ole Man Winter" challenged the group with icy roads, rainy days, and just plain poor ski conditions. Although skiing was the main objective, the members of the club often found other means of entertainment such as: ice skating, tobogganing, music, dancing, a walk thru the area village or a snowmobile ride now and then. This year we are anticipating a good season of skiing although the "Snow Shortage" is still threatening our week-end excursions.

J . A . R E P O R T E R

Junior Achievement is a community program which gives young people the opportunity to become acquainted with the business world. Participants in J.A. meet others and accomplish much, both as individuals and as group members. They organize their own mini-businesses and elect their own managers.

J.A. boasts a large range of projects, all the way from fashion modeling to reporting for local newspapers. In addition to work done in local areas, national conventions are also held. This year's J.A. reporter is Colleen McCann.

Special Thanks

to: Mr. Manuel Rapoza

The class of 1974 wishes to express its appreciation for the time and effort put forth by you in making *The Mariner* the successful yearbook that it is.

Thank you again and we are sorry for any delays that caused you extra worry and work.

Congratulations

Congratulations to Mrs. Dorothy Pinto on her appointment as Head Clerk of the Greater New Bedford Regional Vocational Technical High School District.

CLASS HISTORY

SEPTEMBER 1970

When we, the present seniors at New Bedford Vocational High School, began our freshman year after a long summer of impatient waiting, we were excited and anxious to find out what high school was like. Our first weeks proved hectic, however, as we tried to learn the ins and outs of our new school.

The juniors sponsored the usual Welcome Freshmen Dance in October, and the turnout was good.

In February of 1971, we were proud to send our basketball team off with high spirits to the Tech Tournament. We won the first game, but lost the second by a close margin.

In May, the girls visited the Boston Museum of Fine Arts. We also had a fashion show in which we were proud to participate. Another fashion show, this time a small one at the Y.W.C.A., terminated our freshman year.

We were all anticipating busy months ahead as we reluctantly parted for the summer.

SEPTEMBER 1971

Summer passed quickly and once again we entered Voke, now as sophomores.

In October 1971, the school held its first election for the Governor's Student Advisory Council. Kim Gelinas won the election.

Students had an opportunity in May to participate in the Loyalty Day Essay Contest, which is sponsored annually by the Veterans of Foreign Wars. Those writing the best essays on what loyalty means to them are winners. Dolores Duarte had the distinction of being chosen the 1972 queen, and Colleen McCann received honorable mention. Certificates were also awarded to everyone who entered.

Summer came quickly, and we went our different ways with eager anticipation of returning as upper classmen. One of the highlights of our summer was the July 4th parade, which honored our Loyalty Day queen.

SEPTEMBER 1972

Our summer vacation was soon over, and we re-entered Voke as juniors — at long last upperclassmen!

At our first junior class meeting, we met our advisors, Mrs. June Stringer and Mr. Joseph DeRoche. Nominations for class officers were held. After a week of campaigning, we voted for class officers, with the following outcome: President, Paul Lemieux, who later resigned; Vice President, Monique Girard, who moved up to president; Secretary, Mike Suffern; and Treasurer, Martin Almeida.

A Student Advisory Committee was formed in October to meet with the Board of Trustees concerning school issues. Elected to the committee were: Joey Yates, Kim Gelinas, Dave Fortin, Suzanne Desrosiers, and Peter McCoy. They worked very hard at changing this school's overly-strict hair code. Kim Gelinas was also elected to represent Voke on Student Government Day at the State House.

After the thrill of receiving our class rings, our next memorable event was the Parent-Teacher Dance, which was enjoyed by everybody. We also sold "Voke" jackets in the fall to raise money for our class treasury.

The National Wool Contest was held in December. Junior winners who went to the State Wool Contest at the North Dartmouth Mall were Suzanne Desrosiers and Karen Brodeur.

In the spring of 1973, Voke and Marshfield High had a Student Exchange program, which was directed by Mrs. Nancy Barrett and Mr. Jeffrey Riley. Those who went to Marshfield High and acted as hosts and hostesses to the students from Marshfield were:

Dolores Duarte, Debbie LaVault, Lorilyn BenDavid, Paul Coderre, Gary Hasson, and Tony Oliveira.

In May we started plans for our prom, with everyone on the committee working very hard. Finally May 11 arrived and everything was ready. The theme was "Color My World," and the band was Dick's Trio. Everyone who went had a lot of fun. Pat Rodrigues was the queen, Frankie Tapper, the king. The first lady-in-waiting was Julie Gifford and the second was Donna Noyer.

The All Sports Banquet honoring the students who participated in sports during the school year was also held in the Voke cafeteria on May 19.

Our Junior Class outing took place in June. There couldn't have been a better way to end our year than with this event, which was held at Cathedral Camp. Everybody had a lot of water, sun, sunburn, and fun.

SEPTEMBER 1973

We returned to Voke for the last time, this time as mighty seniors.

At our first senior class meeting, we met our advisers, Mrs. Marianna Harkins and Mr. Richard Barrett. Then we nominated our class officers. The results were: President, Henry Reis; Vice President, Janice Moniz; Secretary, Debbie Costa; and Treasurer, Ed Barrett.

On the 29th of September we held a car wash as a money-raising project. Everybody who participated received a free shower. In October Colleen McCann was elected to represent Voke on the Governor's Student Advisory Council. The Student Advisory Committee was elected in November, with the following winners: Richard Correia, Pete McCoy, Donna McDonald, Yvette Michaud and Al Trahan.

On November 15, Mrs. Moore, our English teacher, took the senior girls to Salem by Almeida bus to visit the Witch Museum, the House of the Seven Gables, and the Essex Institute. Mrs. Carmeron and Mrs. Jeffrey also accompanied the group, which found the trip enjoyable and enlightening. We also had a cake sale in the Outlet Company the same month.

Early in December, Johann Jenkins won the Betty Crocker Homemaker of Tomorrow Test, which was taken by all the Senior girls.

Johann was later honored at a tea, which was attended by her parents and where she was presented with a special keepsake.

Also in December, the guys received letters for football. Seniors receiving letters were: Robert Davignon, Silvestre Silva, Dave Garlington, Calvin Pina, Dave Bettencourt, Anthony Ferreira, Steve St. Marie, and Victor Novo. -

Seniors who received soccer awards were Roland Boucher, Charles Correia, Dave Freitas, Mark Newsham, Gary Hasson, and Dave Barber.

In January 1974, The Daughters of the American Revolution sponsored their annual Good Citizenship Contest. Sue Desrosiers was selected by both students and teachers to receive this coveted award.

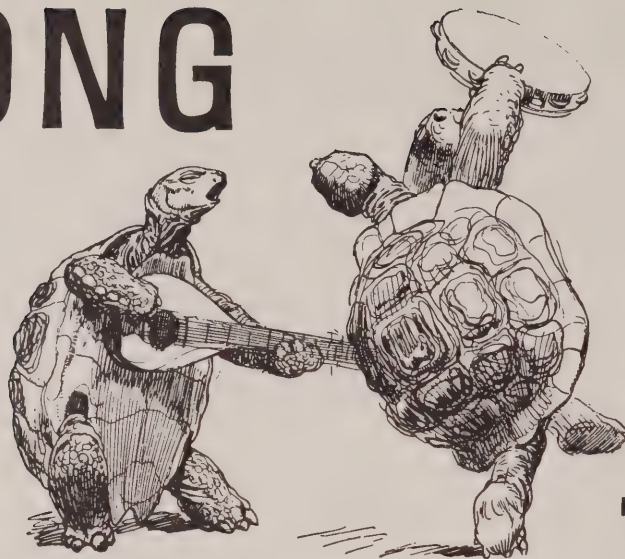

A group of Voke students, teachers, and friends left Logan Airport on April 11 on their way to historical old England for ten days. All who went will long remember their delightful trip.

The senior class prom was held at Hawthorne Country Club on May 24. Next came the outing, which was held at Lincoln Woods. These occasions were filled with great enthusiasm and laughter. Everyone was excited but also a bit sad because we realized that we would soon be saying good-bye to our good times together.

Class Day took place in Hammond Auditorium the first week in June. Finally, graduation evening, our last time together, brought many a tear to our eyes because we were to step into the world and go our different ways.

As we look back upon our lives, we will always cherish our four years at Voke, for they have become an indelible part of us.

MEMORIAM

Mr. Lawrence B. Larkin

Mr. Lawrence B. Larkin served on the Board of Trustees of the New Bedford Vocational High School since April, 1958.

He was a quiet, soft-spoken gentleman who concerned himself with all aspects of vocational education.

He was an enthusiastic supporter of the athletic program and attended many of the games in all sports.

In his quiet dignified way, he assisted many of our graduates who went on to further their education.

His experience as manager of Dun and Bradstreet was invaluable in the advice and assistance he freely gave to the administration.

Indicative of the high esteem in which he was held, Mr. Larkin was successively reappointed to the Board of Trustees by various City Administrators.

Mr. Larkin gave fifteen years of dedicated service to our students and to the cause of vocational education.

We all regret his passing.

Tommy Pimental would have graduated this June along with his fellow Welding Shop pals and the class of '74, but the fates decreed otherwise and he died early in his Junior Year.

Tom will be forever remembered by those that knew him because he was always ready to help not only Voke but its family: the administrators, students, faculty, office, custodial, and cafeteria staff.

Those on the football squad and the coaches know what an exemplary job he did as football manager. Had illness not made him resign, he would have given the same dedicated service to the baseball team.

Besides managing these teams, Tom was active in the Ski Club and the Key Club.

Tommy was proud of being a student at N.B.V.H.S., and in turn we, the students, the faculty and the staff, are proud of having known him and are privileged to have called him "friend."
